Remarks

Reconsideration is requested in view of the preceding amendments and the following remarks. Claims 40-55 are pending. Claims 40-46 have been allowed, and claims 47, 48 and 50-55 have been canceled without prejudice. Upon entry of this Amendment, claims 40-46 and 49 are in the application.

The Examiner stated that claim 49 contains allowable subject matter, but objected to the claim as being dependent upon a rejected base claim. This claim has been rewritten in independent form to include all limitations of the base claim and the intervening claim. The objection to claim 49 should be withdrawn, and such action is requested.

The Application is now in condition for allowance, and action to such end is requested. If any issues remain, the Examiner is requested to call the undersigned attorney.

Respectfully submitted,

KLARQUIST SPARKMAN, LLP
